Living the Gospel by helping the vulnerable in our society...

Tim and Donna met 25 years ago and have made the Friday and Saturday social nights at Our Place a regular part of their lives. Their intellectual capacity is somewhat limited but they do maintain their own independent apartments. While Tim is currently caring for his aging mother following her recent surgery, Donna is able to support Tim by cooking meals and offering caring attention. As Tim overcomes some social shyness in his own life, he also takes care of some of Donna's daily needs with household chores, and working on the computer. The support role ShareLife plays enable Our Place to be a caring partner to these vulnerable people. ShareLife funded agencies like Our Place helps many intellectually disabled men and women through compassionate and caring support.

Next ShareLife Sunday is May 7, 2017

Our goal at OLG this year is \$140,000.

THANK YOU

We have celebrated Holy Week and Easter. With the many liturgies and various tasks of the season we as a parish are dependant on the many, many volunteers and folks in ministry who allow us to celebrate well. For those, like our choirs who dedicate extra time to preparation during this season, a special thanks. Of course, you can have all of the volunteers in the world but if you do not have a parish team to oversee and enable others to do their work, then nothing will be achieved. Thank you to the parish staff and each and every parishioner who made Holy Week and Easter a true celebration.
