WELCOMING ARMS TOILETRY DRIVE

We will be having a drive for Welcoming Arms on the weekend of November 18/19th. They are in need of the following items:

Large containers of liquid laundry detergent (they take these and decant into smaller containers), small containers of dish detergent, disposable razors (men's and women's), small containers of shaving cream, shampoo, conditioner, paper towels. Please no soap....they have enough soap to last until 2020....

OUR PARISH, OUR FUTURE

If you did not receive the package for the capital campaign in the mail they are now available at the back of the church or in the office during the week. Thank you for following up.

The process is moving forward. Twenty-four households have responded as of this past Wednesday, we know there are many more who will be responding in the near future.

If you need any clarifications do not hesitate to call the office. Practical questions Nancy can answer and Fr. Frank is happy to discuss your support with you if that is useful.

Thank you to all who have volunteered to do follow up phone calls. Many hands make light work, so we trust that this will not be an overly arduous task. We of course will not be calling those who have already responded to the campaign.

We look forward to your generous support of this important effort in the life of the parish.

FIRST COMMUNION AND CONFIRMATION

Letters for both sacraments are at the back of the church. First Communion is green and Confirmation is yellow. These letters will explain how to proceed to get your children ready for these sacraments. Children in grade two and seven in our parish schools have received these letters in September.

Speak to one of the pastoral team after mass to get a registration form for either sacrament.
