ShareLife
Pentecost Sunday

To date we have raised \$105,582.72
which is
72% of our goal

**Living the Gospel by maximizing the
impact of your donation**

Administered by SE Health, the Shared Services Initiative is supporting ShareLife-funded agencies in the areas of human resources, financial services and information technology.

Participating agencies are able to improve the quality, competency and accuracy of their work.

Through this initiative, ShareLife agencies are reducing their administrative expenses and ensuring that the maximum amount received is directed to the front-line services they provide.

Please give generously.

Our Parish goal is \$146,000

"WE NEED A LAW" WRIST BANDS

Canada has no abortion laws. The idea of an unwanted pregnancy extends to the termination of female fetuses, those who may have some health condition and termination at any time until the child is fully born.

Abortion is legal in the last trimester of a pregnancy. We Need a Law is an organization that wishes to at least put some limitations on abortion.

They have given us some wrist bands which includes the organization's email address wenedalaw.ca The wrist bands are available by the Catherine St. door in a basket.

LOOKING FOR A DAY TRIP THIS SUMMER?

How about the Martyr's Shrine at Midland? The shrine has a full schedule of daily masses and there is lots of devotional space.

Across the road is the original site of the village of Ste Marie among the Hurons. If you have visitors from outside the country this is a great opportunity to connect with Canada's history.

On that side of the road is also the Wye Marsh if you want a connection with nature and are particularly interested in birds. For full information just google "Martyr's Shrine, Midland"
