

## TRINITY SUNDAY

### SAYING GOOD-BYE TO FATHER JOSHUA

Fr. Joshua will be homilist on his last Sunday in the parish on June 24<sup>th</sup> and 25<sup>th</sup>. After each mass there will be coffee to which all are invited. If you wish to make something for the coffee time plan something that can be eaten with your fingers, there will be no forks and plates. This could be sandwiches, cookies or squares.

### CAPITAL CAMPAIGN COMMITTEE

Thank you to those who have come forward to be part of the capital campaign committee. The twelve folks who have decided to take on this work bring with them a variety of talents and extensive experience. We are working towards organizing a capital campaign to meet the challenge of raising the required funds for the renovation of the church. We are conscious that a pledge campaign needs to be begun very quickly if we are to meet the challenge of raising the additional 3.2 million that will be required to bring this 5 million dollar project to reality.

Now that we have a steering committee we will need people to help make the campaign happen. We will be looking for folks who can be part of teams that discuss with parishioners their level of commitment to the campaign. This will be a follow up to a letter and package of information that is sent out to each household in the fall. Some conversations will be face to face, the majority will be by phone.

You will be able to sign up on the weekend of June 24<sup>th</sup> and 25<sup>th</sup> after masses. If you will be away then, call the office and leave your name and we will include you in the effort. To make this undertaking a success will depend on the good efforts of all in the parish. There will be no summer work on the campaign rather we need your commitment now to get a good start in September.

### THANK YOU CONFIRMATION TEAM

We thank the many people who assisted in the preparation of the young people for confirmation over the last several months. Your time and talent has offered the 200 confirmandi an opportunity to reflect more deeply on the work of the Spirit in their lives and the life of the world. We have been truly blessed by your good efforts.

Living the Gospel by helping young families to succeed....

When Amber found out she was going to be a mother, she was afraid and uncertain about who to turn to and where to go.

After a friend told her about Rose of Sharon, Amber arrived looking for help preparing for the arrival of her son. After one session with her counselor, she felt very safe and welcome, and her anxiety about becoming a parent began to decrease.

Amber took advantage of all the programs and services Rose of Sharon had to offer and as a result, her self-esteem drastically improved, along with her parenting skills. Amber admits she would not be the parent she is today if it wasn't for the help and guidance she was offered at ShareLife-supported Rose of Sharon. Last year over 1,200 young parents received the care, counseling and educational support they needed to care for themselves and their new families.
