Eucharistic Procession FAQs:

1. What is a procession?

The Church tells us that processions, in their true form, are a manifestation of the faith of the people. They are opportunities to deepen our faith in Christ, to unite with one another in a communal action and to witness to our faith.

Over the centuries, the Church has instituted many processions. Some point to salvific events; others are votive processions, meaning that they honour a saint or liturgical feast; still others are required by liturgical actions.

2. What is a Eucharistic procession?

A Eucharistic procession is a votive procession.

It publicly and reverently honours the Real Presence of Jesus Christ in the Eucharist, the source and summit of our Christian life. It is a prolongation of the liturgy, during which the consecrated Host is carried in public, allowing believers to "make public profession of faith and worship of the Most Blessed Sacrament."

The Right Honourable Mark Carney, P.C., M.P.
Prime Minister of Canada
Sent via e-mail

20 April 2026

Dear Prime Minister,

I am mindful of the many sacrifices made to lead our country. Know of my prayers for you and your family. As the Archbishop of Toronto, providing spiritual leadership for close to two million Catholics, I write to you keenly aware of our collective obligation to safeguard the dignity of every human life and to serve the common good.

As you know, our Catholic faith opposes the taking of any human life and it is with great disappointment and anguish that we have seen our country expand Medical Assistance in Dying (MAiD) at a rapid and alarming rate since legislation was passed in 2016, despite the commitments made and the safeguards promised. Euthanasia and assisted suicide are indeed contrary to the dignity of the human person.

You are certainly aware that many Canadians are increasingly troubled by the speed and scope of these developments, and by the inevitable harmful effects on vulnerable individuals who may feel pressure — whether subtle or overt — during moments of profound suffering, isolation, or despair, to seek assisted death.

A society is rightly judged by how it cares for its most vulnerable members. There is growing anxiety that the normalization and expansion of assisted suicide risks undermining a culture of compassion, weakening investments in palliative support, and diminishing the collective commitment to accompany those suffering.

Before Parliament at present is a Private Members' Bill, C-218 – An Act to Amend the Criminal Code (Medical Assistance in Dying) that would restrict the expansion of MAiD for those whose sole underlying condition is mental illness. As Parliament considers Bill C-218, I respectfully urge you to allow a free vote among Members of Parliament within the Liberal Party of Canada. This legislation raises profound questions of conscience that transcend partisan alignment and touch on deeply held moral, ethical, and spiritual convictions. I ask you to choose life and not death; to help build a civilization that cares for those suffering and does not eliminate them, but instead surrounds them with dignity, compassion, and love.

I would also urge you and the Minister of Justice to consider measures that restrict any further expansion of assisted suicide in our country and instead prioritize investments in palliative care, mental health support and resources for those who are increasingly marginalized and isolated, especially seniors and Canadians living with disabilities.

I remain available to speak with you directly on this or any other matter in the days ahead and reiterate my prayers for you and for all who serve in public office. May you be guided by wisdom, courage, and a steadfast commitment to the common good.

Yours Sincerely,

Frank Cardinal Leo
Metropolitan Archbishop of Toronto

cc. Hon. Sean Fraser, Minister of Justice, Attorney General of Canada

Help Not Harm

We invite the Catholic community to respectfully contact their local Member of Parliament (MP), requesting their support of a Private Members' Bill (**C-218, The Right to Recover Act – an act to amend the Criminal code – Medical Assistance in Dying**) currently before the Parliament of Canada.

What is Bill C-218? Bill C-218 amends the Criminal Code to make it illegal to provide Medical Assistance in Dying (MAiD) to individuals whose sole underlying condition is a mental illness. It recognizes the importance of Canadians to recover from mental illness and ensures help can be offered, not harm.

WHY IT MATTERS:

- **Every life is precious.** As Catholics, we believe in the sanctity of every human life, from the moment of conception to natural death.
- **A desire to die can be a symptom of illness.** Suicidal thoughts are frequently part of mental illness itself, raising serious concerns about whether consent can ever be truly free and informed.
- **Mental illness is often treatable.** Many mental health conditions improve over time with proper care, therapy, medication, and support. Recovery remains possible, even after long periods of suffering.
- **Gaps in mental health care remain unresolved.** Long wait times, limited access to psychiatrists, and uneven mental health services mean some may seek to end their life due to system failure, not medical necessity.
- **There is an increased risk to vulnerable Canadians.** Individuals navigating mental health challenges are more likely to experience poverty, trauma, isolation, disability, or lack of access to care—factors that may pressure individuals toward assisted suicide.

BACKGROUND ON BILL C-218

What is a Private Members' Bill?

A Private Members' Bill is a piece of legislation introduced in Parliament by a Member of Parliament (MP) or Senator who is not a Cabinet Minister, Parliamentary Secretary, or Speaker. These bills allow individual legislators to propose new laws, or amend existing ones, typically focusing on public policy issues. Bill C-218 has been introduced by the Conservative Party of Canada Member of Parliament for Cloverdale-Langley City, British Columbia, Tamara Jansen.

To pass, this legislation will require support from more than one political party. We believe that many MPs are uncomfortable with the rapid expansion of Medical Assistance in Dying (MAiD) in Canada and in particular, the possibility that MAiD will be offered for those whose primary underlying condition is mental illness. We are asking MPs to vote their conscience, regardless of party affiliation.

The difference in passing this Private Members' Bill could be just a few votes in the House of Commons. It is critical that constituents contact their Member of Parliament asking them to support Bill C-218. If the legislation does not pass, as of March 17, 2027, new laws will take effect to allow MAiD for those whose sole underlying condition is mental illness.

TAKE ACTION AT HelpNotHarmCanada.ca TODAY!

The Bill is scheduled for second reading in early April 2026 with a vote on the legislation expected by mid-April 2026. Please visit HelpNotHarmCanada.ca today where you can send an e-mail directly to your local Member of Parliament in less than 3 minutes. If the legislation does not pass, as of March 17, 2027, new laws will take effect to allow MAiD for those whose sole underlying condition is mental illness.

Chances are, you know someone suffering from mental illness. In any given year, 1 in 5 Canadians experience a mental illness. It may be a relative, friend or colleague. As Catholics and Canadians, we have a responsibility to offer care, hope and protection NOT death for those close to us and those most vulnerable who are suffering.

Visit HelpNotHarmCanada.ca today and ask your MP to support Bill C-218.
