Pre-authorized giving (PAG) is an easy way of supporting the parish. You decide how much, and we will charge your account the amount you are comfortable with on the 20th of each month. You can change the amount at any time by contacting the parish office. How much?

For example, if you currently give \$12/week, that would be around \$52/month; and if you give \$25/week, that would be around \$108/month.

Kindly consider this convenient way of supporting our parish. The PAG form (blue) may be found near both entrances of the church or by the parish office.

The Right Honourable Mark Carney, P.C., M.P.
Prime Minister of Canada
Sent via e-mail

20 April 2026

Dear Prime Minister,

I am mindful of the many sacrifices made to lead our country. Know of my prayers for you and your family. As the Archbishop of Toronto, providing spiritual leadership for close to two million Catholics, I write to you keenly aware of our collective obligation to safeguard the dignity of every human life and to serve the common good.

As you know, our Catholic faith opposes the taking of any human life and it is with great disappointment and anguish that we have seen our country expand Medical Assistance in Dying (MAiD) at a rapid and alarming rate since legislation was passed in 2016, despite the commitments made and the safeguards promised. Euthanasia and assisted suicide are indeed contrary to the dignity of the human person.

You are certainly aware that many Canadians are increasingly troubled by the speed and scope of these developments, and by the inevitable harmful effects on vulnerable individuals who may feel pressure — whether subtle or overt — during moments of profound suffering, isolation, or despair, to seek assisted death.

A society is rightly judged by how it cares for its most vulnerable members. There is growing anxiety that the normalization and expansion of assisted suicide risks undermining a culture of compassion, weakening investments in palliative support, and diminishing the collective commitment to accompany those suffering.

Before Parliament at present is a Private Members' Bill, C-218 – An Act to Amend the Criminal Code (Medical Assistance in Dying) that would restrict the expansion of MAiD for those whose sole underlying condition is mental illness. As Parliament considers Bill C-218, I respectfully urge you to allow a free vote among Members of Parliament within the Liberal Party of Canada. This legislation raises profound questions of conscience that transcend partisan alignment and touch on deeply held moral, ethical, and spiritual convictions. I ask you to choose life and not death; to help build a civilization that cares for those suffering and does not eliminate them, but instead surrounds them with dignity, compassion, and love.

I would also urge you and the Minister of Justice to consider measures that restrict any further expansion of assisted suicide in our country and instead prioritize investments in palliative care, mental health support and resources for those who are increasingly marginalized and isolated, especially seniors and Canadians living with disabilities.

I remain available to speak with you directly on this or any other matter in the days ahead and reiterate my prayers for you and for all who serve in public office. May you be guided by wisdom, courage, and a steadfast commitment to the common good.

Yours Sincerely,

Frank Cardinal Leo
Metropolitan Archbishop of Toronto

Message on the Month of the Sacred Heart of Jesus

1 June 2026

His Eminence Frank Cardinal Leo
Metropolitan Archbishop of Toronto

My Dear Brothers and Sisters,

May Jesus and Mary be in your souls.

Each year Holy Mother Church dedicates the month of **June** to the **Sacred Heart of Jesus Christ**. This devotion invites us to contemplate not only the mystery of Christ's love, but also the kind of hearts we are called to develop in the world (Mt 11:29; Jn 13:34). When we refer to the "Sacred Heart of Jesus" we recall the whole mystery of Christ - his Person, his mission and his infinite divine-human love for the Father and for humanity. As the Catechism teaches, Christ "has loved us all with a human heart", and his pierced Heart is rightly considered "the chief sign and symbol of that love with which the divine Redeemer continually loves the eternal Father and all human beings" without exception (CCC, 478).

In the Gospels, we often see how Jesus responds to people with a sensitive heart that reveals itself in a remarkable attentiveness to their suffering. The evangelists repeatedly describe him as being "moved with compassion". He notices the hungry crowd before they ask for food (Mt 14:14–16); he stops for the blind man others try to silence (Mk 10:46–52), and he restores dignity to those whom society has forgotten (Lk 7:13). These moments reveal something profound: the heart of Christ is never distant from human need. It is a heart that sees, listens, and responds (Heb 4:15). And as the Church pondered these scenes - above all in the act of redemption when the side of Christ Crucified was opened - we too learn to speak ever more clearly of the love revealed in his Heart.

This Gospel portrait of Christ's compassion was not lost on the early Church. Long before devotion to the Sacred Heart took its modern form through St. Margaret Mary Alacoque, the Fathers of the Church reflected deeply on the mystery of the Lord's pierced side, seeing in his wounds the sign of his love and his desire to draw us into his Heart. St. Augustine of Hippo taught that the open side of Christ reveals the love from which the Church, and her sacraments of water and blood are born (*Tractates on the Gospel of John*, 120; cf. SC, 5). St. John Chrysostom saw in Christ's compassion the pattern for all Christian charity (*Homilies on Matthew*, 50). St. Ambrose of Milan saw in the wounded hands of Christ an image of the divine embrace that draws all humanity to itself, teaching that the outstretched arms of the crucified Lord signify God's desire to gather the whole world into his mercy (*On the Christian Faith*, II.7). And St. John Damascene held that the wounds of the risen Christ remain visible as a perpetual intercession before the Father, so that the Church is emboldened to bring her own needs and the needs of the world before God in confident prayer (*An Exposition of the Orthodox Faith*, IV.27).

For this reason, devotion to the Sacred Heart must never remain simply a private or sentimental practice. It is meant to shape the way Christians live and act in the world (Jm 2:14–17; 1 Jn 3:16–18); namely, by meditating on the love of Christ, we are not only drawn into that love but seek to imitate it. Our devotion must be rooted in the Gospel and lead us to imitate Christ's love (*Dilexit Nos*, 83). When we contemplate the heart of Christ, we are invited to model our lives on him who is “meek and humble of heart,” and whose pierced side draws all believers to himself (Mt 11:29; Jn 19:34–37).

The Sacred Heart is therefore a **school of compassion**. When we spend time in prayer before the Lord - especially in the Eucharist - we gradually learn his way of loving (Jn 6:54–56; 1 Cor 10:16; CCC 2669). June offers us a practical spiritual invitation, a moment to ask a simple but demanding question: **does my heart resemble the heart of Christ?** Scripture reminds us that the Christian life involves genuine transformation: “I will give you a new heart” (Ez 36:26), and believers are called to share in the very mind and love of Christ (Phil 2:5).

Finally, during the month of June, dedicated entirely to the Sacred Heart of Jesus, we celebrate liturgically not only the **Solemnity of the Sacred Heart of Jesus**, but also the annual **World Day of Prayer for the Sanctification of Priests**. We are invited to lift up our prayers of intercession (CCC, 2634-2636) for those servants of the Gospel and of the Church whose lives have been offered to the Lord for the salvation of humankind. As men called and gifted, formed and ordained, they are sent into the world for the life of the world. While all are called to holiness and service, in a specific manner due to their particular mission, priests are called to avoid at all costs any temptation to half-heartedness, lukewarmness or mediocrity. Priests are a gift from the Lord to the Church and to each of us personally. They need our support and encouragement, they need our understanding and our collaboration, they need our love, respect and our prayers.

I close with those inspiring words of Pope St. John Paul II: “While the Second Vatican Council speaks of the universal call to holiness, in the case of the priest we must speak of a special call to holiness. Christ needs holy priests! Today’s world demands holy priests. Only a Holy priest can become, in an increasingly secularized world, a resounding witness to Christ and his Gospel. And only thus can a priest become a guide for men and women and a teacher of holiness. The truest secret of authentic pastoral success does not lie in material means, much less sophisticated programs. The lasting results of pastoral endeavors are born of the holiness of the priest. This is the foundation!” (*Gift and Mystery*, p.89-90)

Help Not Harm

We invite the Catholic community to respectfully contact their local Member of Parliament (MP), requesting their support of a Private Members' Bill (**C-218, The Right to Recover Act – an act to amend the Criminal code – Medical Assistance in Dying**) currently before the Parliament of Canada.

What is Bill C-218? Bill C-218 amends the Criminal Code to make it illegal to provide Medical Assistance in Dying (MAiD) to individuals whose sole underlying condition is a mental illness. It recognizes the importance of Canadians to recover from mental illness and ensures help can be offered, not harm.

WHY IT MATTERS:

- **Every life is precious.** As Catholics, we believe in the sanctity of every human life, from the moment of conception to natural death.
- **A desire to die can be a symptom of illness.** Suicidal thoughts are frequently part of mental illness itself, raising serious concerns about whether consent can ever be truly free and informed.
- **Mental illness is often treatable.** Many mental health conditions improve over time with proper care, therapy, medication, and support. Recovery remains possible, even after long periods of suffering.
- **Gaps in mental health care remain unresolved.** Long wait times, limited access to psychiatrists, and uneven mental health services mean some may seek to end their life due to system failure, not medical necessity.
- **There is an increased risk to vulnerable Canadians.** Individuals navigating mental health challenges are more likely to experience poverty, trauma, isolation, disability, or lack of access to care—factors that may pressure individuals toward assisted suicide.

BACKGROUND ON BILL C-218

What is a Private Members' Bill?

A Private Members' Bill is a piece of legislation introduced in Parliament by a Member of Parliament (MP) or Senator who is not a Cabinet Minister, Parliamentary Secretary, or Speaker. These bills allow individual legislators to propose new laws, or amend existing ones, typically focusing on public policy issues. Bill C-218 has been introduced by the Conservative Party of Canada Member of Parliament for Cloverdale-Langley City, British Columbia, Tamara Jansen.

To pass, this legislation will require support from more than one political party. We believe that many MPs are uncomfortable with the rapid expansion of Medical Assistance in Dying (MAiD) in Canada and in particular, the possibility that MAiD will be offered for those whose primary underlying condition is mental illness. We are asking MPs to vote their conscience, regardless of party affiliation.

The difference in passing this Private Members' Bill could be just a few votes in the House of Commons. It is critical that constituents contact their Member of Parliament asking them to support Bill C-218. If the legislation does not pass, as of March 17, 2027, new laws will take effect to allow MAiD for those whose sole underlying condition is mental illness.

TAKE ACTION AT HelpNotHarmCanada.ca TODAY!

The Bill is scheduled for second reading in early April 2026 with a vote on the legislation expected by mid-April 2026. Please visit HelpNotHarmCanada.ca today where you can send an e-mail directly to your local Member of Parliament in less than 3 minutes. If the legislation does not pass, as of March 17, 2027, new laws will take effect to allow MAiD for those whose sole underlying condition is mental illness.

Chances are, you know someone suffering from mental illness. In any given year, 1 in 5 Canadians experience a mental illness. It may be a relative, friend or colleague. As Catholics and Canadians, we have a responsibility to offer care, hope and protection NOT death for those close to us and those most vulnerable who are suffering.

Visit HelpNotHarmCanada.ca today and ask your MP to support Bill C-218.
